

Prince Georges Feral Friends, Inc.

Feral Cat Rescue / Holistic Health Care

Three feral kittens are shown against a dark background. The kitten on the left is a tabby with light brown and white fur, looking directly at the camera with wide, alert eyes. The kitten in the center is a tabby with darker brown and white fur, also looking at the camera. The kitten on the right is a tabby with light brown and white fur, looking slightly to the right. All three kittens have long, white whiskers and pointed ears.
